EXTENSIVE SAFETY

Highlighting safety as a key feature, the PROTON S70 boasts a diverse range of Level 2 Advanced Driver Assistance Systems (ADAS) technologies crafted to identify and prevent potential dangers, ensuring the safety of everyone in the cabin

Advanced Driver Assistance Systems (ADAS)
An advanced safety system with radars, cameras and sensors that detects what you might miss and respond accordingly to keep you and your loved ones safe

ADAS safety features are not a substitute for safe and attentive driving. Driver remains responsible for safe vehicle operation at all times.
